

# North Cotswold line improvement works

## *Service Alterations between Saturday 18<sup>th</sup> July and Tuesday 1<sup>st</sup> September 2009*

Network Rail will be carrying out extensive engineering works this summer as they restore the single line between Charlbury and Evesham to a double track. The first phase of improvement work will happen over six weeks during the school summer holidays, and sections of the railway line will be closed for work to take place.

### **Monday 20th July to Friday 31st July and from Monday 24th August to Friday 28th August**

The railway will be closed between Oxford & Worcester. Alternative road transport (coaches) will be provided.

### **Monday 3rd August until Friday 21st August**

The railway will be closed between Moreton-in-Marsh & Evesham – an amended train service will operate from Oxford to Moreton-in-Marsh.

In order to maintain connections with the replacement road transport or modified train service, there will be a few alterations to the times of your Cotswold Line Railbus services.
