

North Cotswolds line improvement work between Charlbury and Evesham

Network Rail is well into its preparations to restore the single line between Charlbury and Evesham to a double track, which is designed to ease congestion and improve the reliability of services for our customers travelling on the route.

While the long term benefits of this project are clear, it will mean some disruption to our regular services as we try and work around the partial line closures that are essential to get the work done.

The first phase of improvement work will happen over six weeks during the school summer holidays, when traditionally fewer customers use our services.

During this time the following sections of the railway line will be closed:

**18 July (0010) – 3 August (0500) 2009:
Oxford – Worcester**

**3 August (0500) – 24 August (0500) 2009:
Moreton-in-Marsh – Evesham**

**24 August (0500) – 1 September (0500) 2009:
Oxford – Worcester**

We will be running services as normal wherever possible, but where we can't we will be providing alternative transport - normally coaches or mini-buses - to make sure your journey with us runs as smoothly as possible. This booklet contains details of those alternative transport arrangements including:

- Alternative journeys by train
- Details of replacement transport services

Contents

3	Train times
3	Journey opportunities by train
4	Relaxation of ticket restrictions
5	Replacement transport
5	Assisted travel and customers in wheelchairs
5	On-board catering
5	Toilets
6	Facilities at stations
6	Travelling from Evesham to London Paddington
7	Compensation for regular travellers
7	Useful contact numbers
8	London Paddington to Worcester & Hereford – Monday 20 July until Friday 31 July and from Monday 24 August until Friday 28 August
18	London Paddington to Worcester & Hereford – Monday 3 August until Friday 21 August
30	Hereford & Worcester to London Paddington – Monday 20 July until Friday 31 July and from Monday 24 August until Friday 28 August
41	Hereford & Worcester to London Paddington – Monday 3 August until Friday 21 August
54	Notes and symbols

Train times

The timetable pages in this booklet are intended to show weekday services on the route and to help you plan your journey by showing connections to and from London Paddington and other popular stations.

However, due to the complexity of the train service and the various alternative routes available you may wish to check your journey details using the information sources listed below.

'Print Your Own Timetable' is a great new way of downloading the most up-to-date train times information from the internet with the benefit of only seeing those times relevant to your particular journey.

Visit www.firstgreatwestern.co.uk/printtimetable for more details.

National Rail Enquiries are available 24 hours per day, 7 days per week by calling 08457 484950 (calls may be recorded)

In person. Station staff will be happy to assist you with train times information.

Journey opportunities by train

Hereford and Worcester to London Paddington

During these periods of work, you may find that when you ask about a particular journey via National Rail Enquiries you may be advised to take an alternative train journey.

Customers travelling from Hereford to London Paddington will probably be advised to travel via Newport or via Cheltenham when through train services are provided on that route. Some of our train services which normally operate between Cheltenham and London Paddington particularly in the peaks will start from Great Malvern or Hereford, and in the evening will be extended to Worcester or Hereford.

If you are travelling from Worcester then it may be best to travel via Bristol Parkway towards London Paddington.

Journey opportunities by train continued

Worcester to Hereford

Other than through services via Cheltenham, customers travelling between Worcester and Hereford will travel on local First Great Western and London Midland services.

Oxford to Worcester

When the railway line is completely closed between Oxford and Worcester, it may be quicker to travel by train via Didcot Parkway and Cheltenham Spa, rather than by the direct coach service.

When the railway line is open north of Evesham a shuttle train service will operate between Evesham and Worcester Shrub Hill / Foregate St where possible. A few services will be provided by coaches.

In periods when the line is open between Oxford and Moreton-in-Marsh, through trains to and from London Paddington will be provided, with some changes to times between Oxford and Moreton-in-Marsh.

Relaxation of ticket restrictions

To reduce the inconvenience to your journey and help you to make some of the alternative journeys mentioned above, we have relaxed ticket restrictions on the following journeys, which means that your ticket will be valid on these routes:

- Hereford to London via Newport
- Hereford – Worcester via Bristol Parkway / Cheltenham / Gloucester and Swindon (on First Great Western services)

Replacement transport

Our rail replacement transport will be provided by either coaches or mini-buses, and because of this there will be some limitations on what can be carried, which you'd not normally experience on your train journey.

Please be aware that on rail replacement transport we will only be able to carry:

- assistance dogs
- folding bikes
- folding pushchairs and prams

Assisted travel and customers in wheelchairs

If you have mobility problems and require additional assistance you should contact our Assisted Travel helpline on freephone

0800 197 1329 at least 24 hours before making your journey.

The calls are free and the line is open 0800 to 2000 daily. Suitable transport will be arranged for customers in wheelchairs – this is likely to be accessible taxis.

On-board catering

Catering on board trains is indicated in the timetable overleaf.

However, there will be no catering on board rail replacement transport.

Toilets

We will endeavour to provide toilet facilities on coaches undertaking longer-distance journeys, but we'd recommend that you make use of station facilities where available.

Facilities at stations

At Oxford, short stay car parking will be relocated to the long stay car park and the short stay car park will be used for coach arrivals and departures, with easy access to and from the platforms. Customers starting their journey at Oxford will access the coaches via the front of the station.

Coach stops at other stations are:

Hanborough	From the bus stops on the main road
Combe	From the station front
Finstock	From the station front
Charlbury	From the station car park
Ascott-under-Wychwood	From the bus stop opposite the village green
Shipton	From the station entrance on the Oxford bound side
Kingham	From the station car park
Moreton-in-Marsh	From the station car park
Honeybourne	From the station front
Evesham	From the station car park
Pershore	From the station front
Worcester Shrub Hill	From the station front

Coach stops will be clearly signposted.

For much of the day, First Great Western staff will be on hand at the larger stations to assist customers and sell tickets. Just like the train, you should buy your ticket before you board the coach wherever possible.

Travelling from Evesham to London Paddington?

When the line is blocked between Oxford and Worcester three coach services will be provided each way on weekdays between Evesham and Cheltenham Spa which connect with fast trains to London Paddington. These depart Evesham at 0505, 0539 and 0639 and arrive into London Paddington at 0807, 0841 and 0939. In the other direction, trains leave London Paddington at 1548, 1748 and 1848 for Cheltenham Spa and the connecting coach services arrive at Evesham at 1855, 2055 and 2155.

Compensation for regular travellers

We understand the inconvenience this will cause, especially to our frequent travellers. Information on compensation arrangements for all our season ticket holders is currently being put together. Please check our website for details:

www.firstgreatwestern.co.uk/northcotswolds.

Useful contact numbers

If you would like to be kept up-to-date with this project, visit www.firstgreatwestern.co.uk/northcotswolds and register for the North Cotswolds Line Improvement email updates.

Travelling at Weekends?

Weekend services are also affected by these improvement works and for details of train and coach times customers should contact National Rail Enquiries, visit www.firstgreatwestern.co.uk/printtimetable or seek assistance from their nearest staffed station.

For notes and facilities see inside back cover
